

Loke Battle Mats®

Live Now- Quickstarter for Double sided Neoprene terrain/space mats!

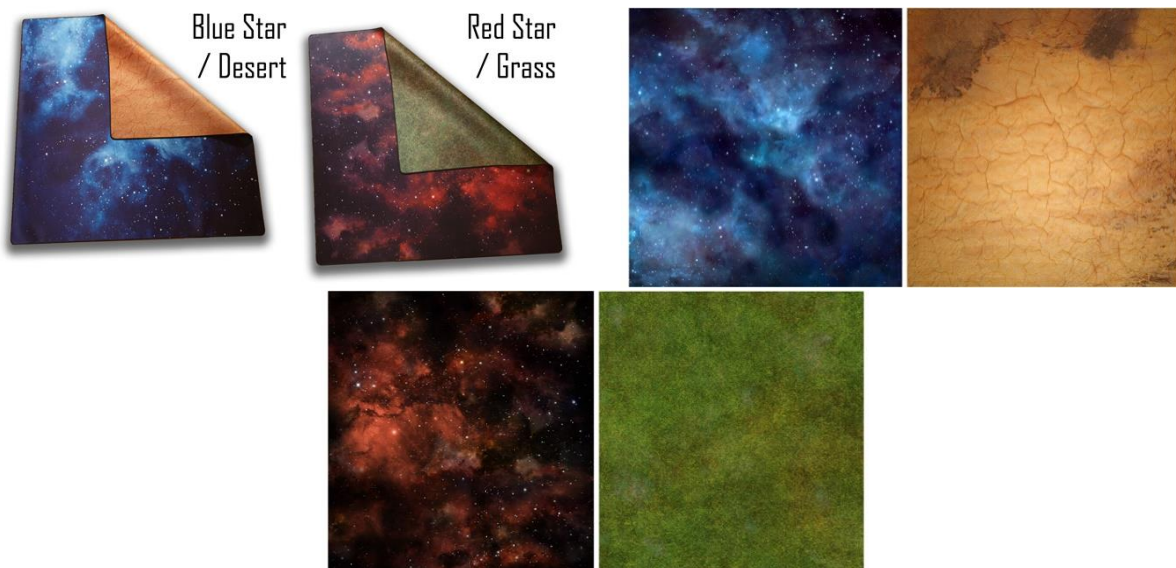

One Mat for all your tabletop gaming needs!

Live NOW on Kickstarter at <https://www.kickstarter.com/projects/gamingbooks/reversible-neoprene-space-terrain-battle-mats-quick> is the new QuickStarter from Loke BattleMats. Following our previous 3 successful campaigns we are delighted to bring you our latest product – Double sided neoprene tabletop battle mats with our trademark stitched edge featuring a space design on one face and a terrain on the reverse.

Designed to provide an exciting tabletop terrain for a huge range of games, these high quality 2mm neoprene gaming mats also offer a perfect backdrop for board, tile, dice and roleplay games. Thick enough to deaden a dice roll (so no more lost dice) this mat is the must have addition to your game!

To summarise our innovative new mats -

- 3'x3' double sided mat
- 2mm neoprene
- Stitched edge ensures longevity
- Two design combinations available
- Combines space design with terrain
- One mat for multiple games saves space, money and time!
